Growing your playset is fun and easy with UltraBuilt Spacelinks!

Expand your playset by adding a *Spacelink* to any 5 or 7 foot level opening. 8 feet in length, the *Spacelink* includes a tower, tent top and 5 foot tunnel.

Additional accessories can be added to your spacelink or use it to connect two sets together creating your child's "dream playset!"

Shown with the Observer, Pathfinder, Explorer & Voyager 5000.

Let your imagination take flight when you design a playset uniquely yours!

"Yes - we recommend UltraBuilt to everyone. Quality construction and design, versatility, selection, great service and competitively priced!"
